

Rice Krispy Peanut Butter Balls

Mix well in a large Bowl:

3 cups rice krispy's
2 1/2 cups peanut butter
1/2 cup real butter
16 oz powdered sugar

Form into balls.....I powder my hands lightly
with a tad of
powdered sugar so it is not to
sticky...Place in freezer to
get cold....I then stick a toothpick in each
balls and return to freezer..

In a double boiler or a glass bowl over a pot
of hot water:

Melt (1) package chocolate chips ..add
crisco to thin and dip
each ball into dip and place on wax paper
to dry...
